Dear Sir

TO WHOM IT MAY CONCERN - RE: SANS 1475:2010 RECERTIFICATION

This letter serves to notify all your stakeholders (customers, suppliers, etc.) that the recommendation for the re-certification of the SANS 1475:2010, the production of reconditioned firefighting equipment for **Eagle Fire Control CC** was submitted to the SABS Approval Board.

We are addressing the administrative issues required for approval. We are currently going through major changes with regards to the process of issuing compliance certificates thus your certificate may take longer than our normal procedures allow. We apologise for this delay and if you may require any further conformation please don't hesitate to ask.

New certificate will be issued upon positive feedback from SABS Approval Board in due course. We will communicate as soon as these certificates become available for collection.

Yours faithfully

.....
CM Hlongwa
